Suzie Boudreault has a studio in Toronto (Ontario) and in St-Âmile de Suffolk (QuÃ©bec) - Canada. She became a professional artist in 2008, under the brand name SuzieB. Her style is a mix of Naïve, a hint of Impressionist allure with a Modernist bend. Her painting style is characterized by simplicity in its subject matter and technique.

SuzieB's paintings are glimpses of the natural world that are vibrant, lively, and candid. Rich with color, texture, and all the complexities of light and shadow, and yet are simultaneously contained by a dominant use of line and form. Her gallery representation includes Galerie Bérick in Bromont, QuÃ©bec (Canada).
